Lifetown training for new and returning volunteers to be held 9/5 & 9/6

If you can give as little as two hours a week, you can make a lasting difference in the life of a child with disabilities.

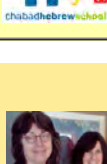

Dates for training are Wednesday and Thursday, September 5 and 6 from 10-11:30 am.

There is exciting new technology at LifeTown in the form of iPads, cash registers and library software. All of these things help us better serve our students in developing valuable life skills. This is a great opportunity to try a new venue, safely, as we role play the experience. We want all volunteers to be comfortable in all venues. Please let Cheryl know which session you would like to attend. Bagels and coffee will be served.

The LifeTown school year will begin in late September.

RSVP to Cheryl Sher 614.774.3403 or email lifetown.columbus@gmail.com
