Volunteers needed to make LifeTown a success!

If you can give as little as two hours a week, you can make a lasting difference in the life of a child with disabilities. Volunteers play the roles of merchants in our venues, helping children learn life skills.

If you would like to volunteer, call or [email Cheryl Sher](mailto:Cheryl Sher) at 774-3403 to be on the list for this fall when LifeTown reopens.

"My kids have spent the past two summers at Gan Israel enjoying all the wonderful activities and field trips. In addition to loving the activities, they've made great friends and enhanced their appreciation of Judaism. The best though - are the counselors who are very energetic and incredible with the kids."
