Our current JLI class - please join us!

What did it mean to our grandparents?
JEWISH IDENTITY
 What will it mean to our grandchildren?

For full course description or to register, visit myjli.com

What was it like for our ancestors to say goodbye to the shtetl, to set out to discover new lives for themselves, along with all of the liberties the free world had to offer? At the dawn of the enlightenment, how did our parents adapt their Judaism to the developments of a modern age? And what can we learn from their struggles to connect deeply with our own Jewish identities?

This new course will give you the opportunity to make sense of your personal Jewishness; it will help you overcome perceived incompatibilities between Judaism and modern society; and it will provide you with the clarity and conviction to pass on a legacy of Jewish pride to the next generation.

What's your reason to celebrate?

The Jewish holidays are the centerpiece of our year. Days when we remember events that forever changed the course of our history. But they are much more than that. The festivals are pauses in time, primed for personal introspection and spiritual re-connection. Windows to the psyche, fortifying us with tools for facing everyday challenges. Kaleidoscopes of beauty and meaning, changing how we see ourselves, our relationships, and our world.

Join us for this eye-opening new learning series from the Rosh Chodesh Society.

Upcoming Rosh Chodesh meeting/luncheon dates:
Mar. 3, Apr. 1, Apr. 30, May 29; 12:00-1:00 pm

For more information contact Esther Kaltmann 614-563-2261 esther.kaltmann@sbcglobal.net
