### HOW HAPPINESS THINKS

is a course of six 90-minute sessions of group discussions, readings, and inspired learning. More importantly, it's a course of action: a Jewish roadmap to finding lasting, deep, and resourceful happiness. You'll learn that happiness isn't just an emotion that visits by chance. Happiness is a state of mind that you can cultivate and nourish with practical steps-based on both Jewish learning and recent scientific observation-and take to levels you might have thought unimaginable.

*How Happiness Thinks* seeks the core happiness that we know is inside of you, just waiting to come out. Let's discover it together.

### FIRST TASTE Program - Judaism Comes Alive!

At Chabad, the richness and beauty of our Jewish traditions come to life. Our dynamic programs will educate, stimulate and excite your children intellectually, emotionally and practically. We believe that a child's Jewish learning must be creative, memorable and fun. Because at Chabad, children don't just love to learn about Judaism, they learn to love Judaism too.

**Ages 3-5: Dates: Every Sunday for the duration of the scholastic year. Time: 11am-12pm**

**FIRST TASTE** is designed to capture the very young child's imagination with song, art, drama and games. By exposure to the aleph-bet, Torah tales, prayer through song and holiday studies, a child gains a sense of pride and love for Judaism.

**Annual Tuition: \$270**  
**LSCC members: \$175**

**Jewish Secrets to Meaningful Relationships**

Romantics of all ages have waxed poetic on the notion of "soulmates," seeking to grasp what makes love and passion so potent, what drives the inexplicable magnetism between two people, and what makes true love last. Yet millennia of Jewish text and tradition are rich with insights on this very topic, from the mystical and spiritual to the no-nonsense and practical. Whether you are currently married, considering someday tying the knot, or simply seek to better understand the spiritual root of love and marriage, Soulmates is a seven-session course drawing on timeless Jewish wisdom that will forever change how you think about the important relationship in your life, in all its beauty and complexity.
